## Minutes of the Lower San Pitch River Distribution Meeting

The meeting was held on March 2, 1988 in Manti, Utah. Ben Kjar opened the meeting. No minutes were read from last year's meeting. The status of the river commissioner was discussed. Stan Adams read the financial statement. A discussion was made of combining the upper and lower Sanpitch systems under one commissioner. The problem and policy of the State Engineer concerning expanded acreage and priority of water rights was discussed. Ned Madsen made the motion to accept the financial statement as read. The second was by Niel Nielson. The motion carried. The delinquent assessments and the installation of recorders on the San Pitch River was discussed. A motion was made by Ned Madsen and seconded by Roger Johnson to set the budget and assessments the same as 1987. The motion carried. The river commissioner was discussed. Ben Kjar recommended Jim Casto and Niel Nielson recommended Lowell Anderson to be the commissioner. A motion was made by Ben Kjar and seconded by Niel Nielson to let the State Engineer interview both of these men for the commissioner position and make a recommendation back to the river committee. The motion carried. A motion was made by Roger Johnson and seconded by Bruce Bown to put the present committee officers back into office by acclamation. The motion carried.

The meeting adjourned at 2:15 pm.
